The curriculum design and delivery in the institution aims at employability skills and competence. The Graduate and Postgraduate programme equip the learners for job opportunities in Central and State Government Services. The programme outcomes and courses outcomes primarily aim at imparting knowledge and skills.

Course outcomes are measured on the basis of performances of the students both in curricular and co-curricular activities and also on the basis of the student's performance in the class activities, laboratory work, assignments in different examinations and their role in departmental activities. Students performance is noted continuously on their regularity, receptiveness, participation in class discussion and the overall behavior. Their performance in the internal examination provides the initial clue of their learning outcome. Every year performance in the annual University examination is communicated to students through their mark sheets.

To track programme outcomes the departments maintain an alumina data base regularly updating information on their current employments and their endeavors.

Continuous assessment provides feedback on the efficacy on the teaching learning process and learning outcome of each course.

Students of NSS andRover Scouts are Engaged in development related activities and social services.

GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

The governing body (GB) in the executive authority exercises general supervision and control of the affairs of the college. The college comes under the Commissionerate College Education Rajasthan Jaipur, headed by the Commissioner who manages and administers the government colleges of the state but at the college level the Principal is the Head of Institution decentralizes duties and the faculty members are given charges of Establishment section, Account Section and Academic Section for various administrative responsibilities. The performance of every employee, teaching and non teaching is appraised by the Principal and reviewed by the competent authority on annual basis covering various aspects of working, behavior and overall performance.

Regular meetings of the College Development Committee and stakeholders play a significant role in overall governance viz. Planning, deployment, monitoring and execution of agendas.

A Staff Council is an important platform for an formal interaction between the Principal and the faculty. The meetings of Council are held on regular basis for planning and mandated tasks.

The member of BOS receive feedback from students. teachers, Vikas samiti and initiate modifications in the curriculum. Matters and requirements related to finance are forwarded to the commissionerate for further action.

For effective governance committees are constituted for specific purpose at the beginning of every academic session. The respective committee meetings are called periodically for efficient implementation of agendas related to all fields.

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

College practices decentralization and participatory management in its organizational structure. The main functions of Institution are classified into Administration, Academics, Examination and Human Resources. Every effort is made to include a mechanism for evaluating and monitoring all quality parameters through its organizational structure ie. Principal, IQAC Head, Criteria in charges, Department Heads, faculties and stakeholders.

In the Hierarchy first comes the principal secretary of Higher Education, subsequently comes Directors /Commissioner, Joint Directors and then comes the Principal of the college who acts as the administrative head of the Institution. Being a Government College, all the major decisions are taken by the Directorate/ Commissionerate of Higher Education. The Financial matter of the college is looked after by the Drawing and Disbursing Officer. For the smooth functioning of the College through various committees.

The IQAC of the college is developing a quality system for consciously programmed action to improve the academic and administrative performance of the college.

At Department level the Heads of the Departments co-ordinate

different departmental academic programmes of the college, and statements comply with the Vision and Mission statement of the institution.

Thus, the college Mandalgarh plays an important role to maintain bond between Commissionerate and College on their portal.

CURRICULAR ASPECTS

1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

Government College Mandalgarh is affiliated to MDS University of Ajmer, and adheres to the syllabi prescribed by the University for different UG and PG courses. The effective delivery of curriculum is accomplished with the help of university academic calendar. At the very onset of each academic session the preparation and publication of the academic calendar is done with the time schedule of the curricular, co-curricular and extra-curricular activities. The College administration takes care that the theory and the practical classes are running regularly and effectively and also provides necessary infrastructure such as computers having internet facility. Some departments have smart class rooms equipped with latest gadgets. The students are regularly engaged in classroom lectures, discussions, periodicals under graduate and post graduate level seminars, unit wise tests and various competitions by the dedicated faculty. The faculty devotes their time not only in establishing the prescribed syllabus teaching with the existing socio-cultural, political, moral, financial situations and events but also does personal student counselling. Study tours and excursions are carried out for the benefit of the students. The students are provided reference books from the library. Resources like relevant websites and e-resources are available for advanced learners.

2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

As per University of MDS University, Ajmer parameters for undergraduate students of all streams are evaluated annually and monthly. Unit tests are organized as per guidelines of Commissionerate, College Education.

As per University of MDS University, Ajmer. assessment parameters for Science Postgraduate student's evaluation is divided into two assessment levels, internal assessment for 30 marks (Institute level) and semester end exam for 70 marks, conducted by the University.

For the continuous internal evaluation student's performance in unit tests, projects, assignments, seminars etc. are the part of college curriculum.

To inculcate the critical thinking among students various group discussion, debates are organized in which students explore new ideas and enhances their performance level.

Outcome Achieved:

- Improved students understanding in domain of knowledge and overall development of the student.
- Improved the results and pass percentage
- Reduced backlogs and detention.
- Improved the quality of projects.
- Improved placement and opting for higher studies.

Strategies Adopted for Student Improvement:

- Poor performance due to frequent absentees is dealt with sending SMS and registered letters to the parents of concerning student.
- Appropriate Counselling with additional teaching eventually helps students to attend classes regularly.
- All the staff members maintain good relation with students and deal with their problems in gentle manner.
- Each Class is divided into batches and practical sessions are conducted to all students for practical subjects

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time-bound and efficient

The academic performance of the student is evaluated throughout the session by the Teachers for upgrading and improving the academic performance of the student. The institution thus does not have any direct process of internal evaluation except science PG students (having semester system).

In all the subjects where practical exams are the part of Curriculum it is mandatory to submit a practical record that is evaluated and marks are added during the final consolidation of results. The project report is also compulsory in some of the subjects and is considered for assessment. The Principal acts as the coordinator for the assessment centre. The answer books are provided a code number by the University and the evaluation process is transparent. The marks are filled in the mark sheet and complete secrecy is maintained.

The internal examination related grievances have a transparent mechanism which is quick and fair by the concerned and get immediate relief. The external examination related grievances are handled by examination committee headed by senior faculty member and this committee is responsible to conduct external examinations. Some of the grievances regarding practical examinations/theory examinations/Degree/Mark sheet/filling up of online examinations form are resolved by the academic section of college having touch to the affiliating University.

2.6 - Student Performance and Learning Outcomes

2.6.1 - Programme and course outcomes for all Programmes offered by the institution are stated and displayed on website and communicated to teachers and students.

Institution displays its vision mission, objectives, programme outcomes, programme specific outcomes and course outcomes on the website.

IQAC invites the quality improvement programme for each department. The subject experts from the university BOS members discuss about the syllabus, its reach, contemporary market

demands and how to enhance the teaching methods to cope up with it, which provides the foundation to update programme specific goals.

The teacher parent Council organizes various events to interact with teachers and parents to get them acquainted with the college curriculum, courses offered and student's behavior and performance.

Institution conducts as well as encourages faculties to attend workshops, seminars, refresher courses, faculty development programmes and interactive session with the expertise from universities as well as field to make the course component more relevant.

Every department projects Pos, PSOs and COs on the departmental notice board. The students are continuously made aware of these outcomes regularly.

At the beginning of every unit teachers articulate on the learning outcomes and programme outcome which makes the teaching learning process more fruitful as students must aware of the relevance of the topic in their pursuit and knowledge.

The direct assessment of the POs and COs is monitored through their performance in the University exams.

The feedbacks are collected from the students at Institute level as well as department level and at the end of the semester. The review is done on the achievement of the same.

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

The curriculum design and delivery in the institution aims at employability skills and competence. The Graduate and

Postgraduate programme equip the learners for job opportunities in Central and State Government Services. The programme outcomes and courses outcomes primarily aim at imparting knowledge and skills.

Course outcomes are measured on the basis of performances of the students both in curricular and co-curricular activities and also on the basis of the student's performance in the class activities, laboratory work, assignments in different examinations and their role in departmental activities. Students performance is noted continuously on their regularity, receptiveness, participation in class discussion and the overall behavior. Their performance in the internal examination provides the initial clue of their learning outcome. Every year performance in the annual University examination is communicated to students through their mark sheets. To track programme outcomes the departments maintain an alumina data base regularly updating information on their current employments and their endeavors.

Continuous assessment provides feedback on the efficacy on the teaching learning process and learning outcome of each course.

Students of NSS andRover Scouts are Engaged in development related activities and social services.
