The role of college purchase committee:

The college administration nominates a purchase committee each session; it usually consists of half-a dozen members, the senior member becomes its convener and the purchase committee works under the guidelines of GF & AR (General Finance and Audit Rules). The local and state-wide sealed bids are invited for big purchases after floating of the tender after obtaining work sanction released from the head of the institution, a comparative statement is prepared after opening up of the sealed bids and the lowest bidder is selected, thereafter the work order is released to the party. The invoice of the goods and services is then forwarded to the accounts section for payments after completion of the procedural formalities. The whole work done by the purchase committee is efficient, timely and transparent.
