**INFRASTRUCTURE AND LEARNING RESOURCES****4.1 - Physical Facilities**

4.1.1 - The Institution has adequate infrastructure and physical facilities for teaching- learning. viz., classrooms, laboratories, computing equipment etc.

The Institution has adequate infrastructure and physical facilities for teaching- learning. viz., classrooms, laboratories, computing equipment etc. However it is worthwhile to mention that there lies a discrepancy relating to the number of students enrolled and the physical infrastructure available, it is noteworthy that the Central & State Governments have provided funding under the RUSA 2.0 scheme and there is some enhancement in the infrastructure facilities inc. no. of classrooms, smart classrooms, toilets, labs etc. In some cases a grant is also released by the institution from the college development committee for enhancement of facilities. The institution regularly communicates and informs the higher office about all the issues and looks forward to receive and utilise more funds from the government for the betterment of the institution.

4.4.2 - There are established systems and procedures for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc.

The college boasts of a robust and decentralised system for administration and governance: the committees are formed in the beginning of the academic session and they are entrusted with the responsibility of carrying out functions pertaining to maintenance of physical, academic, and support facilities. The committees are empowered to arrive at decision-making in the roles/tasks assigned to them. In a few committees the parents of wards, external

nominees (People's representatives, Government Officials, businessmen, Industrialists, etc.) academicians and student representatives are also given adequate representation to facilitate decentralised decision-making. The college administration has done everything on its part to keep the library well equipped and properly maintained. Notwithstanding the fact that the post of Librarian has been lying vacant since the past few years. A senior faculty member who has the calibre for doing arduous job of handling the books and is having an orientation towards books and learning is entrusted with the responsibility of being the convener of the library committee. In view of the shortage of manpower, hired employees on work charge basis are doing the rest of the manual work in the library. Similarly, a faculty member who is interested in the arena of sports and being a sportsman in his own right is handling the sports committee in absence of a physical education.

**GOVERNANCE, LEADERSHIP AND MANAGEMENT****6.1 - Institutional Vision and Leadership**

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

It was worthwhile to mention that the institution is a government college, which is under the aegis of Commissionerate of College Education, Government of Rajasthan. The governance of institution is primarily based on the rules and regulations, outlined in the manual of the Higher Education Department which is the apex governmental body responsible for higher education in the state. The post of the Principal is the chief administrative post in the institution and he is helped by a planning and coordination committee to carry out the vital administrative and financial duties and guides the principal in matters of importance facilitating effective and time-bound decision making. The mission and vision of the institution is to become a premier institution in the state imparting quality education to the students hailing from the rural, semi-rural and impoverished background. A semi-autonomous body College Development Council, headed by the college Principal and having People's Representative on board is a key to infrastructural development taking place in the institution, it further helps the institution to secure the goals relating to the vision and mission of the institution

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

An important feature of our institution is the democratic decision making. It consists of decentralization and participatory management and a well established 'committee system' which includes the Academic Committee, the Workload Committee, the IQAC and the Staff Council among others. With the committees in place the decentralized decision making at all levels, viz. departmental level, student level. The college development committee which is semi-autonomous (CDC) is now central to taking all decisions. In most of the committees, students are encouraged by way of representation to be part of the decision making processes. The

college placement cell and various societies for student activities are working through a decentralized mode. Irrespective of the original membership of a committee, any other affected or concerned member is co-opted and included as needed to jointly reflect on various matters of importance. Ideas and people from young and dynamic movements are routinely encouraged to flow in. There is, in fact, a very conscious effort being made wherein the Principal makes no decisions in isolation and all the concerned persons/entities are encouraged to participate. The collective-decision making enhances the synergy and the sharing of information and adds quality to the whole process

## 6.3 - Faculty Empowerment Strategies

6.3.1 - The institution has effective welfare measures for teaching and non-teaching staff

### Teaching:

The College implements the schemes launched by the Government of Rajasthan. These schemes include State Insurance (Life), Group Insurance, RGHS (Rajasthan Government Health Scheme), General provident Fund, Employees Contributory Pension Fund etc. A Teacher's Welfare Fund (TWF) is in place at the level of the University. Another scheme is employees Group Personal Insurance

with accidental death claim amounting up to Rs. 2 lakhs. Likewise, GPF (General Provident Fund) and Employees Contributory Pension Fund schemes are also in place. The female faculty members can also avail the benefits of Child-Care Leave besides Casual Leaves (15 per year) and Privilege leaves (15 per year). The Government of Rajasthan has discontinued the New-Pension Scheme from 2023. The post-retirement benefits for the teaching staff include: encashment of leaves, gratuity, commutation and a monthly pension.

#### Non-teaching:

Some of the welfare schemes are common for teaching and non-teaching members. Those schemes include State Insurance, Group Insurance, Medical benefit schemes, General provident Fund, Employees Contributory Pension Fund, Child-care Leave and R.G.H.S. etc. Besides these other benefits for the non-teaching staff also include compensatory casual leave and bonus. The post-retirement benefits are almost same for both the categories.

**6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff****Appraisal system for teaching:**

The official system for the appraisal of performance of faculty members is based on the annual report submitted by the College Principal to the higher office. The report is known as 'ACR' (Annual Confidential Report), the government has discontinued manual filling up of the ACR from 2023, now it is being submitted through an online mechanism. In case the faculty member's performance is below average by the Principal, he/she is served a show-cause notice by the higher office. The unofficial system of appraisal of the teaching staff includes feedback from various stakeholders.

**Appraisal System for non- teaching staff:**

The official system for appraisal of the Laboratory Assistant and ministerial staff/office employees is done in the similar manner (filing of the ACR); afterwards it is forwarded to the higher office. The appraisal system for the non-teaching staff is also carried out through an online mechanism.

## 6.4 - Financial Management and Resource Mobilization

6.4.1 - Institution conducts internal and external financial audits regularly Enumerate the various internal and external financial audits carried out during the year with the mechanism for settling audit objections within a maximum of 200 words

The institution has both internal as well as external audit mechanism. Internal audit is done on a regular basis by the Internal Audit Committee formed of the faculty members belonging to the college. It takes up audit tasks such as checking invoices and their sanctions, verifying invoices from the college-storkeeper, verifying whether correct invoice amount has been entered in cash-book and checking totals, reconciliation from bank statements and physical verification of the assets bought. Payment bills are countersigned by DDO of the institute and cash transactions are discouraged. Only NEFT, RTGS and crossed cheques are used. Computerized system of accounting is preferred for the major bank accounts. Simultaneously GF & AR, Purchasing and procurement rules are crossed checked for the required compliance. External audit (physical and Financial) is done by the Director, Directorate of Inspection, Government of Rajasthan and AG Office

of Central Government. The account of the College development Committee is audited through a practicing chartered accountant.

#### 6.4.3 - Institutional strategies for mobilization of funds and the optimal utilization of resources

The institute is a governmental body therefore the state government grants the budget each year which is categorized under various heads and sub heads that include salary, travel allowance, grant for library and laboratory etc. The fee deposited by the students is augmented in Boy's Fund, which is regulated by the Government. A separate College Development Committee (CDC) which is a semi-autonomous body is a major source for funding of the various developmental activities in the college. The CDC receives majority of its funding from the development fee charged from the non-collegiate students and in some cases from donations received from stakeholders as well.

The college's faculties form the executive body of the CDC which formulates the proposals to be tabled in the general body meeting of the CDC; the members of the IQAC including the Director are well represented in the CDC.

The IQAC and other relevant committees make sure that the utilization of resources is proper and well-maintained in the best interest of the institution.

## 6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

Maharana Pratap Government College Chittorgarh was assessed grade 'A' by NAAC in 2016 (cycle-2), the college IQAC had a tough time ever since the granting of the grade because it had to live up to the expectations of the NAAC for further quality improvements. The IQAC worked tirelessly to maintain and further enhance the quality standards of the institution. The college IQAC initiated several measures for improvements in teaching-learning process i.e. replacing black boards with white and green boards, introduction of smart classrooms, using audio-visual aids, and online resources. The IQAC advised the college administration to institutionalize the quality assurance strategies by working upon the creation of MIS (Management Information System), which will enable the head of institution to make effective and smooth decisions without delay and hassle, the MIS guarantees a sizable repository and ready-reckoned financial statements. The IQAC advises the college administration on matters relating to up-gradation of physical utilities inc. classrooms, lavatories, lab, equipments, furniture etc. The IQAC guides the colleges committees in matters relating to record keeping, report-making, presentation of the data complied etc. the IQAC ensures the quality standards of the programs being organized remain intact and are not compromised notwithstanding the adversity in circumstances.

6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

The college IQAC had a challenging time during the Covid-19 pandemic in order to maintain the quality standards of the institute. The primary focus during the 2021-22 academic sessions was to ensure that adequate safety measures should be undertaken in the institute to tackle the post-traumatic menace of the pandemic. It was also essential that the curriculum/syllabi should be completed, and it was not possible to adhere to the normal teaching-learning mode only. The college IQAC suggested the creation of mentor guided WhatsApp groups for the benefit of the students. The groups ensured that the teaching is conducted through online and as well as offline mode viz. holding of classes using video-conference applications, uploading of the prerecorded teaching videos on YouTube channel, dissemination of notes in pdf etc. The IQAC also proposed buying of recording instruments, purchased subscription of video conferencing applications, setting up of a recording studio, the IQAC submitted various proposals for infrastructural development inc. setting up of a new computer lab., conference room etc.

## INSTITUTIONAL VALUES AND BEST PRACTICES

### 7.1 - Institutional Values and Social Responsibilities

#### 7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

The college has two statutory cells dedicated to Gender Equality, 1)The Women's Cell 2) Cell for prevention of women's harassment at workplace These two bodies ensure that no gender discrimination takes place within the institution, and in case if there is a violation then the complaint is registered and subsequently redressed. Both the cells engage in various activities round the year to promote awareness related to women's issues. Online facility to register a complaint , awareness campaign, and counseling was provided through social media platforms.

Annual gender sensitization plan is prepared each year in the beginning of the academic year and the institution ensures its abject abience.

<p><b>Solid Waste Management:</b> The solid waste(non-biodegradable) produced in the campus is dumped in solid waste accumulation bins and disposed off through a solid waste collecting van being run by the local self government. The van regularly visits the collegecampus and collects the solid waste. The solid waste (biodegradable) is sent for recycling. <b>Liquid Waste Management:</b> The chemical waste (in liquid form) generated in science lab is channeled into a covered soak pit. The waste produced in the lavatories is also sent to the soak pit. <b>Biomedical Waste:</b>There is no bio-medical waste generated in the college. <b>E-waste management:</b> The E-waste is collected and it is auctioned at regular intervals through government procedure. <b>Waste recycling system:</b> The student volunteers belonging to the NSS make use of the solid waste (plastic, metal waste etc.) in making artifacts. This campaign is entitled 'best from waste'. <b>Waste Recycling System:</b> Hazardous chemicals and radioactive waste management: No such waste is generated in the college.</p>

## 7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

### 1. Recycling of solid waste (plastic, metal etc.):

The IQAC advised the college administration to develop the idea relating to the solid waste recycling; it was deemed as necessary because the solid waste inc. plastic, worn out metals, scrape etc. is considered as an environmental hazard and needs quick and effective disposal. It was further suggested that an agency involving students i.e. NSS could be accorded the task for its speedy and time-bound implementation. It is noteworthy to mention that the college has four functioning NSS units having one hundred students in each of the units. The IQAC assured all help relating

to official sanctions and other budgetary provisions, and it was advised that the services of a professional could also be obtained for the purpose.

## 2. Establishment of Pink (Study) Corner:

The IQAC felt the need for having an exclusive study corner dedicated to girl students; the initiative would feature in the institutional best practice for the session 2021-22. The IQAC advised that the agency who would pursue this task for the benefit of the students would be N.S.S. and the collection of the funds for this purpose (crowd-funding) would done during the seven-days residential camp of the NSS. The 'Pink (Study) Corner' will function as a separate entity and not be a part of the college library. It will be managed by the department of geography.

## 7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

The institution firmly believes in the 'building up of character of the students' and in today's world a gradual dilution of the character comes off as an inescapable reality, the college administration is keenly involved with the students to tackle this menace. The institution doesn't believe in using coercive methods while dealing with issues related to 'character frailties', the students are counseled and mentored through appropriate means: the students are made to realise the possible fall-outs of the misuse of social media platforms viz. forwarding of fake news, morphed photographs, misleading information, cyber bullying and trolling, x-rated content, using banned applications etc. The institution takes great care to prevent the students from using the college premise for non-academic purposes e.g. shooting

videos, reels etc. for social-media usage. The institution also mentors the students about falling prey to various other social-media or web scams involving lucrative job offers, prizes and bounties, easy loans etc. The institution aims to conduct a workshop on 'cyber laws' in near future for the benefit of the students.

### 7.3.2 - Plan of action for the next academic year

The college administration envisages the following plan of action for the next academic year:

- i) To sustain the standards of teaching and further improve the transfer of knowledge to the wards using innovative methods.
- ii) To improve the overall ambience of the institution.
- iii) To create an eco-friendly environment and enhance the green-cover in the campus.
- iv) To ascertain the optimum utilisation of the available resources.
- v) To secure funds from the agencies for infrastructural development of the college.
- vi) To harness renewable energy and improve the hygiene standards inside the campus.
