ACTION TAKEN REPORT - IQAC DURING THE SESSION 2018-19

1. New classrooms are under construction with the help of RUSA grant which will provide better facilities for students to study.
2. In order to improve the health quality standards of the students, water cooler and RO plant were installed for providing pure drinking water to the students.
3. A new hall is under construction so that the teaching work and the University main examinations can also be conducted properly.
4. Taking into consideration the feedback from the administrative staff, a 5.5 KV solar plant was installed for smooth functioning of the administrative work
5. Proposal was passed to construct a Physics lab in the first phase for practical work.
6. New furniture was arranged to provide better reading room facilities to students.
7. Keeping in view the suggestions received from students and teaching staff, curriculum based supplementary material like projector slides, globe etc. were arranged to enhance the educational quality.
8. Passing the proposal taken in the IQAC meeting, an initiative was started to plant trees systematically to make the environment of the college campus greener.
