# Criterion 4 - Infrastructure and Learning Resources

## 4.1 Physical Facilities

**4.1.1**

**The Institution has adequate infrastructure and other facilities for,**

- **teaching – learning, viz., classrooms, laboratories, computing equipment etc**
- **ICT – enabled facilities such as smart class, LMS etc.**

**Facilities for Cultural and sports activities, yoga centre, games (indoor and outdoor), Gymnasium, auditorium etc (Describe the adequacy of facilities in maximum of 500 words.)**

**Response:**

MBD Government College was established in 1990 and since then it giving higher education to students of tribal belt of Southern Rajasthan. The college campus is spread over 59489 square meters of land; the total constructed area of the college is approximately 2409 square meters and is located 60 km away from Banswara district headquarter.

Institute comprises Academic Block, Administrative Block, Library, 2 Hostels (one for boys and other for girls) and a Sports ground.

The college has 11 classrooms for teaching and a multipurpose hall for various activities and combined classes.  All classrooms are well wentilated with natural light. For holding conferences, meetings and guest lectures, a well-equipped seminar hall with ICT facilities is also available. The canteen is located adjacent to the main entrance gate of the college and provides snacks and beverages at affordable rates to students and faculty.

Two parking lots are constructed to facilitate vehicles of students and faculty members. There are two RO systems with the chiller are installed to fulfill the need for clean and safe drinking water.

The academic block comprises five decently equipped laboratories for physics, zoology, botany, and geography to manage regular practical classes. Our physics lab is equipped with modern instruments such as logic gate, FET, BJT, RC circuit etc., whereas the

geography lab has well-equipped laboratory composed of four sections: one is dedicated to surveying and leveling instruments; Second one with world atlas, maps, charts, globe, models etc. The third one is well-furnished with technologically advanced field survey instruments such as total station, electronic theodolite, GPS distance meter, digital weather station, compass and other equipments and fourth section is with cartography equipment's topographical sheets plan-meter and opisometer.

The college has a decent library enriched with plenty of books of various subjects with reading area to provide peaceful environment to the students and faculty members. There is a regular supply of four daily newspapers and several monthly magazines.
