

GOVT. GIRLS COLLEGE, NATHDWARA

Email Address :- ggnathdwara@gmail.com

6.5.1. Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes. It reviews teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals and records the incremental improvement in various activities

The internal Quality Assurance Cell (IQAC) monitors the efforts of the college to words excellence in different areas. IQAC incorporate SWOC Analysis (Strength, weakness, opportunity, challenges) of the entire quality system which is key aspect based. The quality strategies and processes used are :-

- The IQAC committee coordinates and assists all the committees of the college to plan and implement the various activities that are directed by the commissionrate college education and other government bodies.
- To improve teaching learning environment, IQAC motivates teaching faculties to adopt and utilize modern methodologies and ICT tools. IQAC also motivates the teaching faculty to participate and conduct research based activities.
- To achieve the students centric approach IQAC continuously monitor the admission process and student diversity and also works on reduction of students drop-out ratio.
- To intensify feedback collection analysis and reviews.
- Result analysis research and extension activities including FDP are to be enhanced in the college.
- Infrastructural Facilities including physical facilities, ICT facilities and Library facilities with ICT integration has to be intensified.
- IQAC organizes meetings regularly to analysis the on-going and future motives of the college.
