

## Vision-

To be one of the premier educational institutions that helps the students in inculcating learning, mannerism, imparts deep rooted ethical standards which prepare the base for the socially aware and responsible human being.

## Mission–

Our mission is:

- \* To enhance life skills by providing value based education.
  - \* To shape the young minds with moral and human values.
  - \* To instill integrity, discipline, perseverance and confidence through a favorable teaching-learning environment.
  - \* To produce self-reliant responsible citizens.
  - \* To develop the all-round personality of the students.
  - \* To provide higher educational facilities to economically and socially backward students.
