

Best Practice- (2019-20)

Pratiyogita Dakshta Coaching Classes And Celebration of “Run for Unity” on the occasion of National Unity day 31.10.2019.

Best Practice No. 01 - Title: "Pratiyogita Dakshta Coaching Classes"

The students admitted to the college are mostly from the rural areas and also with a weaker economic background so they find difficult to bear the expenses of the highly paid coaching institutes as most of them are from a poor economic background. So to benefit the students free English coaching classes are also run along with the various competitive coaching classes free of cost.

For the effective implementation of the coaching classes a time table was prepared by the Principal and the faculty members with the different topics of their subject interest were assigned respective classes.

Best Practice No. 02 - Title: "Ek Bharat Shreshth Bharat- Run for Unity"

Objectives:

1. To enhance interaction between people of diverse cultures living in different States and UT's in India.
2. To promote greater mutual understanding and reciprocal interaction between the people of different states and UTs.
3. To intermingle the language, culture, traditions and practices of different states that lead to an enhanced understanding and bonding between one another.
4. To strengthen the unity & integrity of India.

The Context:

Challenging issues that need to be addressed through this innovative best practice are as follows:

1. India is a country of diversity having different religions, languages, cultures, castes, creeds etc.
2. Through this innovative best practice unity and integrity can be ensured even in diversity.

The Practice:

Higher educational institutes i.e. universities and colleges are the epicentre for bringing change through youth power. Every year the institute celebrates the ek bharat shreshtha bharat oath taking ceremony in Assamese language.

Beside it, "Ek Bharat Shreshtha Bharat" rally is organized by the institution and the NCC and NSS volunteers actively take part in these activities. Every year on the occasion of birth anniversary of Sardar Vallabh Bhai Patel 'Run for Unity' programme is being organised by the college along with the celebration of 'Ek Bharat Shreshtha Bharat'.

It is very difficult task to ensure the harmony among different interest groups present in the diversified country. There are so many barriers like religious practices, languages, cultures, castes etc. Student exchange programme between two or more states and cultural programmes to intermingle the different cultures can be organised at college level to ensure the unity and integrity of the nation
