

VISION

The vision of the college is to become a centre of academic competence by imparting multi-disciplinary and quality education to the students and thus give to the society an enlightened, creative, disciplined, confident and socially responsible and morally strong youth with scientific temperament, logical thinking and analytical approach, who can play a significant role in nation building, preserving cultural harmony, ensuring social justice, and lead the society to the *light of knowledge*, the message manifested in the motto of the college: तमसो मा ज्योतिर्गमय

MISSION

- To construct a student-centric, cost-effective, value-based education system in the college.
- To promote research-oriented, experiential, technological and creative learning which can prepare the students to face the challenges of competitive world confidently.
- To develop the culture of hands-on and research oriented learning.
- To provide an ambience conducive to the capacity building, employability skills and holistic development of the students.
- To inculcate the sense of responsibility towards the society and the environment by making the students aware of social, economic, political and environmental issues
- To strengthen the Indian values of honesty, compassion, integrity, perseverance, non-violence, love and co-operation.
- To sensitise the students towards the marginalised sections of the society.
- To encourage participation of the students in co-curricular activities and sports in order to explore their hidden talent and credentials.
