Debates, quiz competitions, poster competitions and inter-class cultural competitions are a regular feature of the curriculum. In order to inculcate a sense of duty towards the nation and responsibility to the society among the students NSS Units and NCC Wing play a very significant role. There are three NSS units headed by our very capable faculty members with 100 students each that keep the students productively engaged in various activities and also hold One-Day Camps and Ten -Days Camps. Similarly the NCC. Wing is headed by a trained CO. The NCC cadets along with participating in their regular activities, join camps held in various states of the country and are selected for participating in Republic Day Parade at New Delhi. CRITERION VI – GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 – Institutional Vision and Leadership

6.1.1 – Mention two practices of decentralization and participative management during the last year (maximum 500 words)

Since this is a government institution, there is no management body in the college. Management and administration of the college is executed both by the Commissionerate and the institution. The decisions of the

government regarding academics, finance and developmental activities are communicated to the institution through the Commissionerate. The institution then forms various committees to effectively and constructively implement the decisions of the government. The highest decision-making body is the staff council which consists of all the faculty members. All important policy and operational matters are discussed and decided by the staff council. Under the leadership of the Principal of the College, all faculty members shoulder various administrative responsibilities and contribute towards smooth functioning of academic, establishment, and accounts sections. The heads/ in-charge of various departments act so by virtue of their seniority and are responsible for the functional activities of the departments. The performance of every employee, teaching or non-teaching, is appraised by the Principal and reviewed by the competent authority on annual basis covering various aspects such as efficiency, leadership qualities, behaviour and overall performance. Regular meetings of the Mahavidyalaya Vikas Samiti (Development committee) are held to facilitate the decision-making regarding various financial and developmental activities. Also, regular meetings of the IQAC are arranged to ensure the maintenance of academic quality of the institution. 1. Decentralization of responsibilities is ensured by formation of academic and co-curricular committees. Following are some examples of academic committees - PG Association, Language Club, NCC, NSS, Sports and Games committee etc. 2. Administrative responsibilities are also equitably distributed.
