

Vision and Mission

Vision

“Education is the progressive discovery of our own ignorance.”

(By- Will Durant)

The Scholastic achievements of the institution are the key indicators of its conviction to promote the best quality of academic, ethical and social values among its students. The college envisions setting up high standards of academics where excellence is achieved through hard work, dedication, and intelligence.

1. To Provide ethical and value-based education.
2. To nurture a sustainable educational environment, building intellectual and constructive mind, to impart qualitative affordable and accessible education.
3. To build up intellectual, imaginative and liberated mind.
4. To impart high quality affordable knowledge to meet the global challenges.
5. To instil the ‘dignity of labour’ in the students.
6. To create essential facilities for the students to cope up with new challenges.
7. To impart advanced and digitalized facilities.
8. To provide the facility of indoor and outdoor games.
9. To empower the students for sharpening and harnessing their individual talents for betterment of the society and themselves.

Mission

“Education is simply the soul of a society as it passes one generation to another.”

(By- G. K.Chesterton)

The college started with the aim **“lkfo|k ;kfoeqDr;s”**, which means to ‘liberate’. The institution seeks to liberate the students from ignorance, illiteracy, superstitions, obsolete rites, meaningless rituals, poverty, cruelty, and thoughtlessness etc. The college tries students to be educationally, socially, and economically sound and humane. First of all, college is strongly committed to foster the students to be good citizens and human beings.

1. To work on the motto, **“ lkfo|k ;k foeqDr;s”**
2. To inculcate the spirit of leadership, integrity, value, confidence, and deep sense of social justice in the minds of the students along with the formal education.
3. To encourage students to participate in various extra-curricular activities related to social and environmental awareness.
4. To enhance the commitment of faculties and students for the harmony of diversity, social responsibility and awareness, optimistic thinking and positive approach towards life.
5. To prepare students for good and well-paid work through free coaching classes.
6. To instil the ‘dignity of labour’ in the students.
