Principal's Message

‘शरीरमाद्यम् खलु धर्म साधनम्’

कोरोना काल में पूरी दुनिया ने भीषण त्रासद समय देखा है। इसने पूरी दुनिया, समाज, अर्थव्यवस्था और शिक्षा सबको बदल कर रख दिया। शिक्षा और शिक्षण दोनों प्रभावित हुए। संस्था के रूप में हम भी प्रभावित और बाधित हुए। बहुत मुश्किल से इन प्रकोपजन्य बाधाओं से हम सब उबरने की कोशिश कर रहे हैं और परिस्थितिजन्य शैक्षिक घाटे को पूरा करने में जुटे हैं। लेकिन इस विभीषिका ने हम सबको जो सबसे बड़ी सीख दी है, वह है एक स्वस्थ शरीर का महत्त्व। एक स्वस्थ शरीर ही सभी धर्मों और सदकर्मों का साधन है। मैं समस्त छात्राओं और कार्मिकों के सुस्वास्थ्य की कामना करते हुए, आशा करती हूँ कि नई उर्जा के साथ सब स्वास्थ्य और अपने आस-पास की स्वच्छता का पूरा ध्यान रखेंगे और राजस्थान के हाड़ौती संभाग की सर्वाधिक छात्रा-शक्ति को ज्ञान-विज्ञान से आलोकित करने वाले इस महाविद्यालय की निरन्तर प्रगति हेतु अपना शत-प्रतिशत देंगे।

यह संस्थान शिक्षा के प्रयोजनों को सच्चे अर्थों में पूर्ण करने हेतु विद्यार्थियों में श्रेष्ठ संस्कारों का बीजारोपण एवं जीवन की यथार्थता का ज्ञान, उत्कृष्ट मूल्यों का संरक्षण, स्वतंत्र वैज्ञानिक चिन्तन तथा समय के साथ कदम मिलाकर चलने एवं जीवन जीने की कला सिखाता है। आशा है, अक्षय ऊर्जा एवं अनन्त संभावनाओं से भरे युवा वर्ग को नये विषय के अनुकूल रचनात्मक स्वस्थ प्रतियोगिता का सौहार्दपूर्ण वातावरण प्रदान करते हुए, यह महाविद्यालय महिला शिक्षा के क्षेत्र में अपने परचम को और ऊँचा करेगा। महाविद्यालय में 17 स्नातक एवं 9 परा-स्नातक विषयों में 5112 अध्ययनरत छात्रायें प्रशिक्षित, दक्ष एवं अनुभवी प्राध्यापकों के मार्गदर्शन में अवश्य ही अपना श्रेष्ठ करेंगी।

भौतिक संसाधनों की सीमितता के बावजूद हम राष्ट्रीय सेवा योजना की तीन इकाइयों, एन.सी.सी. के आर्मी विंग एवं एयर विंग, खेलकूद, महिला अध्ययन प्रकोष्ठ, साहित्यक मंच, स्नातक परिषद, स्नातकोत्तर परिषद, महाविद्यालय-समुदाय संवाद, योजना मंच, पर्यावरण संरक्षण, उपभोक्ता संरक्षण, मानवाधिकार क्लब, कौशल विकास, कम्यूनिटी बुक बैंक, दिशा केन्द्र, नवाचार एवं कौशल विकास व लर्निंग विथ अर्निंग, स्काउट्स -रेंजरिंग, रेड रिबन, संगोष्ठी एवं अन्य विविध समितियों की गतिविधियों द्वारा छात्राओं के बौद्धिक एवं चारित्रिक विकास में दत्तचित्त हैं। नव स्थापित राजकीय कन्या महाविद्यालय रामपुरा, जिसका नोडल यह महाविद्यालय है, के भी व्यवस्थित विकास की हम कामना हम करते हैं। कोविड के कारण इस वर्ष छात्रसंघ के चुनाव नहीं हो सके। आशा है आनेवाले समय में यह भी नियमित होगा।

वर्ष पर्यंत की इन समस्त गतिविधियों को ‘परिकथ’ के इस तीसरे अंक के माध्यम से आपके समक्ष रखते हुए हमें पूर्ण विश्वास है कि यह संयोजन आप सब को अच्छा लगेगा।

College Admissions

The foremost work, which is to be done with utmost care, at the commencement of any session, is the process of admissions to various classes. We have separate admission committees for every class. Ms. Archana Sahare is the Nodal Officer for UG admissions and Dr. Jitesh Joshi for PG admissions.

This year, a total of 5127 applications were received against 2280 seats in the college for UG and PG taken together. Admissions to B.A. II Year, B.A.III Year and M.A. Final too were done through online module.

About the College

The Government Arts Girls College, Kota, been carved out from erstwhile Janki Devi Bajaj Government Girls College, Kota in the year 2016, has established itself as an exclusive girls' college for the faculty of social sciences and humanities in the region. Twenty One subjects at the graduation level and nine subjects at post-graduation level (including GPEM and Home Science) make it a very sought-after centre of learning for female students who are keen to pursue higher studies.

The college is still running in the old campus and shares spaces with the other two newly established colleges as the new building of the college is under construction. The overall infrastructure limitations for an overwhelming strength of more than five thousand students do not daunt our spirits. Our faculty strives hard to bring out the best in students as evident in the university results as well as the performance of students in activities within campus and outside. Our students come not only from city but from surrounding remote villages too. The diverse backgrounds of students make classroom teaching a hot seat of learning as well as challenging.

Education is not just a career building but a process of evolution of a person. Our responsibilities become much demanding as our core mandate is women education. The socio-economic profile of the students is also very varied.

A sizeable number of students are first-generation learners with very limited exposure and to whom the college is their window to the world. Therefore, all our activities are planned keeping in mind the basic motto of making the students aware of their rights as equal citizens of the country. At the same time, we also take care of developing sensitivity in them towards the society and polity, thereby making them responsible citizens. A big achievement of the college is its association with social and community development work of the region.

Being a girls' college, we particularly concentrate on women welfare and empowerment. Not only do we support and involve ourselves in implementation of related programs with the district administration but also take many initiatives on our own. Our trade fair for small-scale women entrepreneurs, which has been an annual affair is one of the examples.

The college faculty are not only dedicated towards their teaching but also involved in research work. They have a good many numbers of publications in national and international journals to their credit. They are research supervisors and more than thirty students are pursuing research for Ph.D. degrees under their guidance. Workshops, seminars and conferences are held regularly to promote research. The college is among the pioneering colleges of Rajasthan as far as new innovations for academic excellence in higher education are concerned.
