IQAC Action Taken Report

ATR of 2019-20

Date : - 20/03/2024

1. To manage the library and reading room for the students and teachers.

-The library and reading room have been well-maintained and upgraded to create a conducive learning environment for students and teachers. A additional resources, such as reference materials, and new textbooks, have been made available to meet the academic and research needs of users.

2. Digitalization of the library will be the work of prime

-Library software had been purchased.

3. Qualitative growth of the college should be enhanced by proper sanitation management system, by providing good water facility to students, by plantation, by getting feedback from the guardians and students, by organizing national-level programs, and by organizing literary and cultural activities effectively

-A robust sanitation management system has been implemented, ensuring clean and hygienic facilities for students and staff. Safe drinking water facilities have been upgraded, with additional water purifiers installed. Plantation drives have been conducted to improve the campus environment, and regular feedback from students and guardians is collected and addressed.
