

IQAC Prospective Plan

Date: - 20/03/2024

- **Curriculum Upgradation**
Regular updates to the curriculum to align with emerging trends, industry requirements, and national education policies.
- **ICT Integration**
Strengthening ICT-based teaching by implementing more smart classrooms, e-learning tools, and online platforms.
- **Faculty Development Programs**
Organizing workshops, seminars, and training sessions to enhance teaching skills, research abilities, and leadership qualities.
- **Research Promotion**
Encouraging faculty and students to participate in research projects, publish papers, and apply for grants.
- **Skill Development Programs**
Introducing skill-based courses and vocational training to enhance employability.
- **NAAC Accreditation Improvement**
Working towards achieving a higher grade in NAAC accreditation by implementing quality enhancement initiatives.
- **Green Campus Initiatives**
Promoting eco-friendly practices like tree plantations, waste management, and renewable energy usage.
- **Collaboration with Industries**
Building partnerships with industries for internships, training, and campus placements.
- **Library Modernization**
Upgrading the library with digital resources, e-books, and access to national and international journals.
- **Facilities for Differently-abled** - Developing infrastructure like ramps, tactile paths, and accessible washrooms to support differently-abled students.
- **Alumni Engagement**
Creating a robust alumni network to support institutional development and mentorship for students.
- **Introduction of PG Courses in All Disciplines**
Expanding academic offerings by introducing postgraduate programs in all disciplines to cater to advanced education needs.
- **Botanical Garden Development** – Establishing and developing a botanical garden to support research, environmental education, and biodiversity conservation.
- **Sanitary Pad Distribution Machine Installation** - Installing sanitary pad vending machines on campus to promote menstrual hygiene and support female students and staff.
