### Teacher's Feedback Analysis 2022-23

A total of 53 faculties participated in the feedback as shown in the pie-chart below-

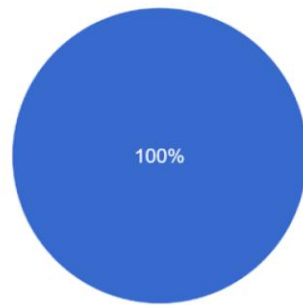

The Feedback focused on four key parameters of the Higher Education Institutions. The ratings given are taken into account the received suggestions are tried to be implemented to the utmost capabilities of the college.

### Feedback Regarding Academics

- There is consensus among the faculty members for the syllabi of the courses to be as per the norms of the UGC and their timely carrying out in accordance with the teaching plan chalked out by them, though they slightly disagree on the point of timely updating of the courses. Save some, the faculties are apt in applying ICT teaching tools including online platforms in their teaching methods and they conduct continuous internal evaluation. Their opinions about the overall teaching environment are by and large good as shown in the following charts-

53 responses

### विद्यार्थियों हेतु ऑनलाइन लर्निंग में आप द्वारा निम्न में से प्रयुक्त को चिन्हित कीजिए-

53 responses

### महाविद्यालय में शैक्षणिक वातावरण को रेटिंग दीजिए

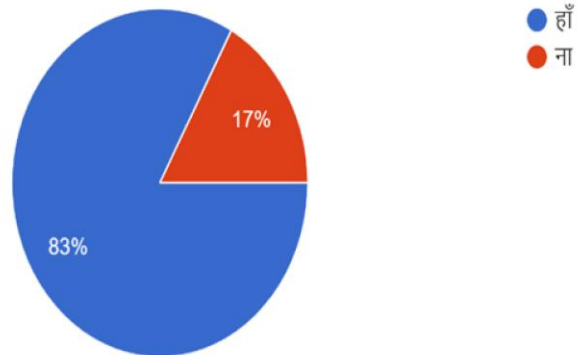

53 responses

- An important suggestion for raising the percentage of the classes is that the heads of the department should arrange from among the available teachers for any teacher who is absent for whatever reason.
- The library should be fully automated and the students have self-service in library. Latest reference books and journals should be kept purchasing for enriching the research facilities, specifically in the disciplines where updated data are very much required (like that of commerce). Availability of the e-resources for study and research is the need of the hour. Their feedback to the available facilities as shown in the charts below-

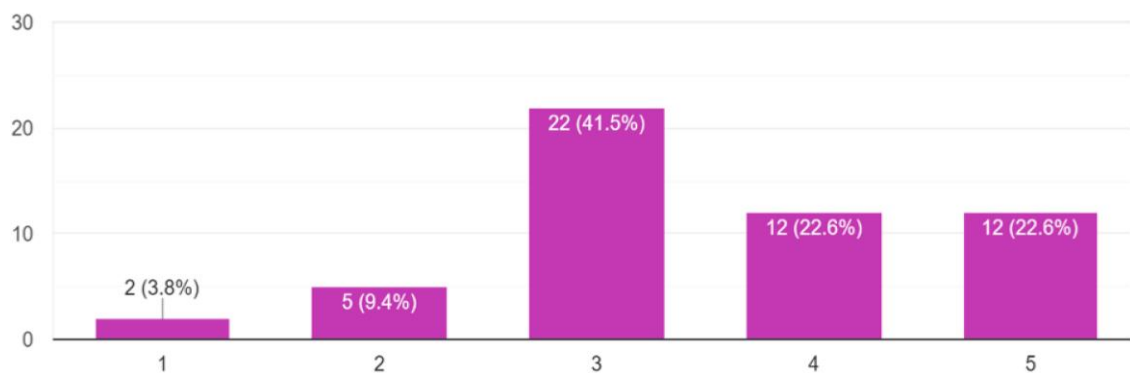

क्या आप पुस्तकालय का नियमित अवलोकन करते हैं

53 responses

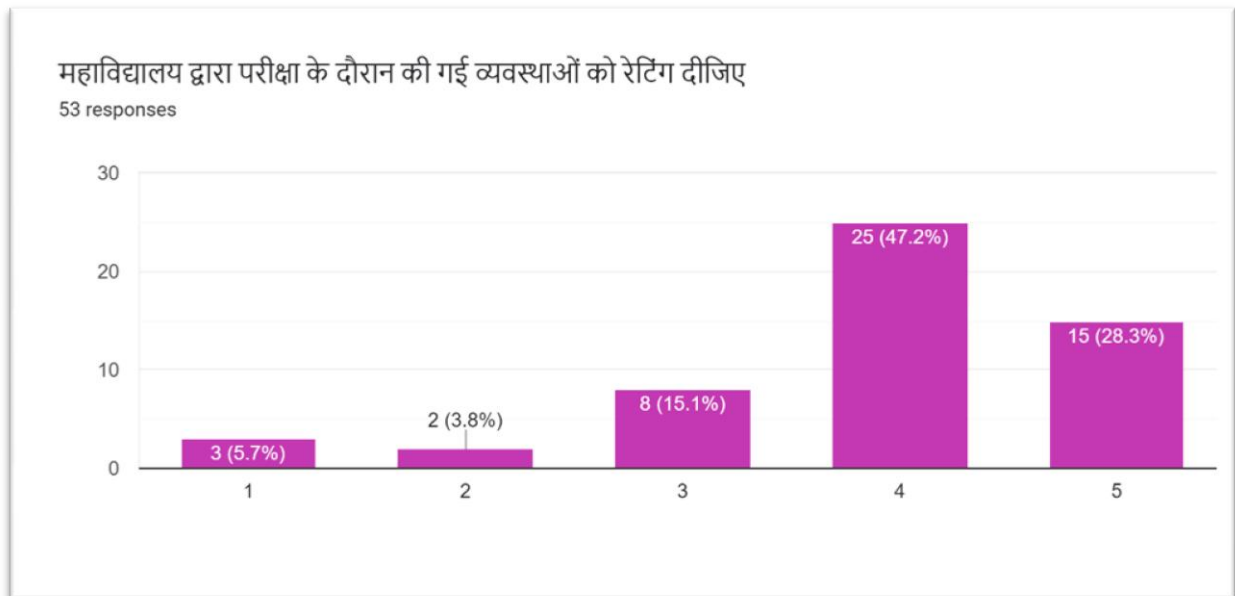

पुस्तकालय के कम्प्यूटीकरण की सुविधाओं को रेटिंग दीजिए

53 responses

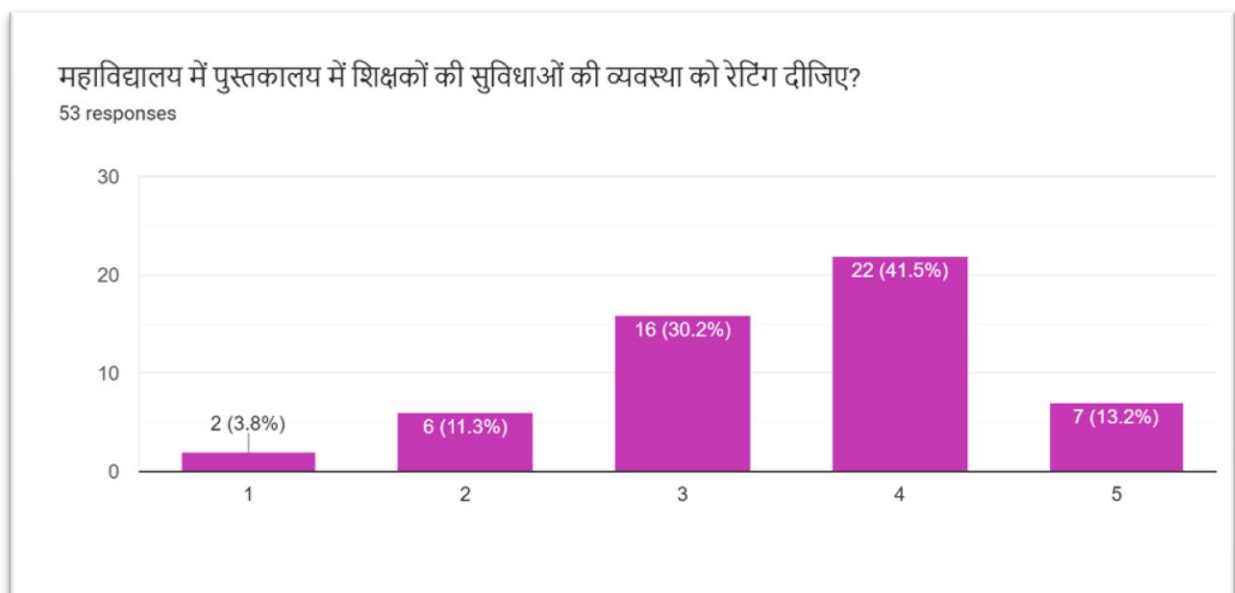

- The Internal Quality Assurance Committee should comprise only of senior teaching faculties. Meetings of any committees/bodies of the college should be held only after the prime teaching hours have subsided.
- During the examinations, the cleaning of the classrooms and lights in the premises should be properly maintained according to the received suggestions.

## Feedback Regarding Physical Resources

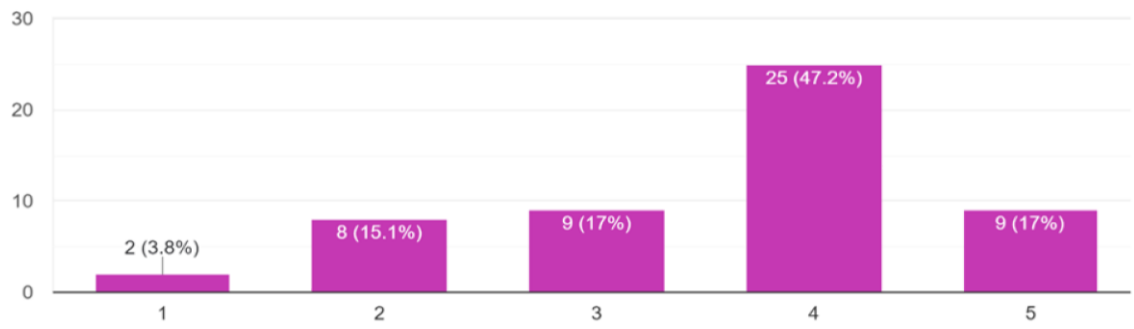

- The departmental allocation of budget for purchase of books should be incrementally raised every year.

- The toilet facilities for women staff must be improved. There should be proper maintenance of the drinking water facility in the staff room. Covered dustbins should be kept in the Girls' and women's toilets. Cleaning of the toilets, classrooms and the campus should be done repeatedly during the college time.

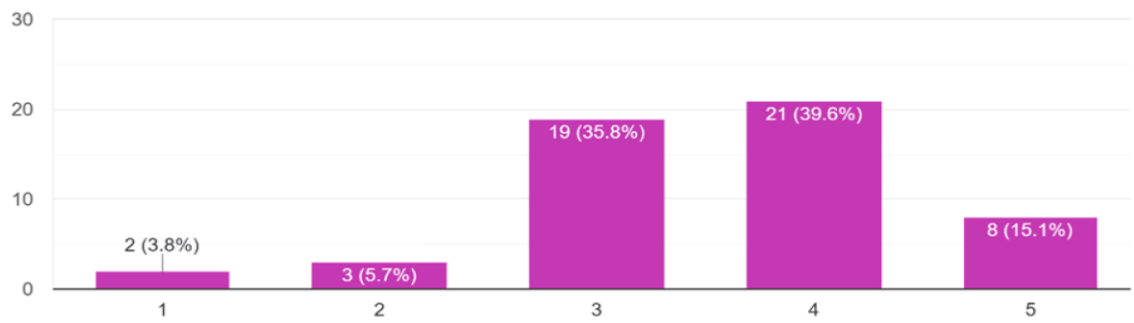

### स्टाफ रूम में उपलब्ध सुविधाओं को रेटिंग दीजिए

53 responses
