Participation in the analysis of Images from Pan –STARRS in Collaboration of DST Rajasthan & IASC (12.08.2020- 08.09.2020)

Government of Rajasthan
Department of Science & Technology
4th floor, Mini Secretariat, Bani Park, Jaipur

Announcement

Department of Science and Technology (DST), Government of Rajasthan is announcing a series of fascinating astronomical activity for the young and curious enthusiasts.

DST Rajasthan in collaboration with International Astronomical Search Collaboration (IASC) has come up with Campaign Series of "**DST- Rajasthan Asteroid Search Campaign**". Dates of upcoming campaigns are as follows:

1.)	12 th August, 2020 to 08 th September, 2020	30 Teams
2.)	09 th October, 2020 to 03 rd November, 2020	50 Teams

Note: We are simultaneously accepting applications for both the campaigns in one go

By participating in this campaign students will be provided with high quality astronomical data to analyse. They are able to make original astronomical discoveries and participate in hands-on astronomy sitting at home at NO COST!!

Preference will be given to shortlist at least one team from each District of Rajasthan. Exceptional teams outside the province of Rajasthan shall also be considered.

Eligibility: Students from 10th class onwards (in a team of 4 students at max)

Registration: Online through Google form submission (*Link: <https://bit.ly/38jQelb>*)

Deadline: 02nd August, 2020, 1100 hrs

Selection criteria will be based on mainly two parameters: Prior exposure to field of Astronomy & your motive to participate in this campaign.

Short-listing of teams: A separate mail will be sent only to shortlisted teams of both the campaigns on or before 10th August, 2020
