## Action taken report on feedback received from Students (2022-23)

S N	Suggestion	Action recommended by IQAC	Action taken
1	Some students have suggested using better graphics and visual media to engage students well/ make teaching a two way interaction.	<p>All the faculty members are directed to use ICT facilities to make teaching-learning interesting and easy to understand.</p> <p>More interactive sessions, group discussions and activities should be organized to enhance two way interactions.</p>	<p>Each department of the college have ICT tools that are readily used by the faculty members while teaching, seminar presentations etc.</p> <p>In all the departments seminars presentations/ activities are organized that provide the students a chance to interact with teachers and among students themselves.</p>
2	Some students have pointed out the issue of student-teacher relationship and recommended to improve communication between teacher and student.	All the faculty members should be oriented to maintain good and open relationship with students so that they can feel free to talk their problems.	During staff council meeting at the start of the session all the faculty members are directed to develop good communication with the students. Most of the students

			are from rural background, hence may hesitate to share their problems related to academics or other problems.
3	Students have suggested to increase/ improve/ upgrade library facilities.	Funds allotted for library should be utilized properly	New books and journals of total Rs 29825/- have been purchased in the library for the session 2022-23.
4	Syllabus should be completed on time	IQAC committee regularly monitors the completion of the syllabus and recommend measures to complete the syllabus on time	All the classes are running as per timetable and syllabus was completed on time.
5.	NCC registration should be there for 2 <sup>nd</sup> year also as who has not applied for it in 1 <sup>st</sup> year.	NCC is being governed by the rules of 7 Raj girls BN, National Cadet Corps rule. College has no role to play in the course duration.	College provides a platform to the students to join NCC but has no role to play in the course design and duration.
6.	Some students have highlighted the issue of discipline in the college and suggested to maintain strict discipline in the college campus and classrooms.	Discipline committee is directed to monitor the discipline in the college.	Discipline committee regularly monitors the discipline in the college and classrooms.
7.	Neat and hygienic washrooms are still a need in the college.	Campus maintenance committee is directed to monitor the cleanliness of college campus including washrooms.	All the washrooms in the college is regularly monitored regarding water availability and cleanliness.
8.	Some students have pointed out the problem they face during practical sessions.	All the faculty members are directed to explain the lab exercises both in English and Hindi because many students are from rural background.	All the faculty members explain the lab exercise and theory in both the languages (Hindi and English).

9.	Guidance regarding future prospects should be provided to the students.	Career guidance cell is directed to organize programs on Career guidance.	During 2022-23 Career guidance programs were organized in the college for the benefit of the students.
10.	Few students have demanded that Computer classes should be arranged.	Elementary Computers is a compulsory paper in only B Sc Part-I. Innovation and Skill Development Cell is directed to organize short duration courses on computer literacy.	ISDC has organized 15 day computer literacy program on "Basic Computers and Software Skills".
