

Janki Devi Bajaj Government Girls College, Kota

Action Taken Report on Feedback received from Teachers (2022-23)

S N	Suggestion	Action recommended by IQAC	Action taken
1	Basic requirements of laboratory must be fulfilled.	Extension of lab facilities and repair of instruments are recommended	Laboratory instruments were repaired and a training program on Basic Instrumentation and laboratory Techniques was organized February 2023.
2	Many students have suggested to increase/ start Job oriented/ Value added/ Skill development/ Short term courses in colleges	University of Kota, Kota is authorized to start a new course in the curriculum of UG and PG. At the college level, Innovation and skill development Cell is directed to organize more job oriented skill enhancement courses.	Innovation and skill development Cell organized 2 skill development courses that help the students in securing jobs.

3	Number of teachers is less as comparison to students.	Teaching and Non-teaching staff can be appointed only by the Government orders. In the departments running courses under Self finance scheme are directed to appoint teaching staff by College Development Committee.	In Department of Mathematics, Physics and Zoology 6 teaching staff were appointed.
4	Start-up programs for student entrepreneurs should be promoted	Entrepreneurship Cell is formed in the college and the committee is directed to organize program on Entrepreneurship and Start-ups.	Entrepreneurship Cell in collaboration of Innovation and Skill Development Cell is regularly organizing programs on Entrepreneurship and Start-ups.
