### **National workshop on IPR and Awareness**

### **JDB Govt. Girls College Kota**

**Date 19 February 2020**

### **Report**

The program started with the traditional Saraswati Vandana and welcoming session. Dr. D.C. Joshi honorable vice chancellor of Agriculture University Kota was welcomed by the principal Dr Sangeeta suneja and other distinguish guest by different committee members. After this welcoming session, the principal, Dr Sangeeta Suneja addressed and welcomed the guest and the participants. Then Dr. Vijay Devra presented a pithy introduction of IPR. Brief objectives of the workshop were described by her, here, topics of the different speakers were also introduced in nutshell. The Project Director DST Dr. Bhuvnesh Sharma delineated the importance of IPR for the students and the research scholars, he told that, for this purpose, a policy was applied last year for the students. After his short speech, the assistant director of college education Kota, Dr. K. M. Gavendra addressed the audience. He expressed his happiness over the growing scenario of workshops and conferences organized in the different colleges of Kota. He laid stress on research and innovations. He was happy to aver that marketing of the innovations are being organized by commerce, specifically management departments, after the rise of globalization. Then Professor D.C. Joshi, Vice Chancellor of Agriculture University Kota, deliberated over the various measures of protecting intellectual properties. He proponed that intellectual properties does not diminish, they will not reduce, they will increase. He couched that the intellectual properties need protection and require incentives and benefits. He developed his speech by saying that as the generations pass, creativity increases, solid outputs like music, art, songs, poems, paintings, and sculptures etc. grow.

Dr Joshi opined that if the hard disc of mind is full, creativity cannot take place there. Automobiles and machineries have developed a lot as the time has passed.

## शोधकार्य एवं नवाचारों को और अधिक बढ़ाएं
