

Government Girls College, Chomu (Jaipur)

Action Taken Report on the Feedback in 2022-23

During the academic session of 2022-23, the college took steps to improve and upgrade its facilities based on the feedback and suggestions received from different stakeholders such as students, parents, teachers, alumni, and respected citizens of Chomu. These are the changes that were implemented:

1. The library's collection was expanded to include more books.
2. Solar panels were installed to provide power supply.
3. The parking system was streamlined, and new parking areas were built.
4. New classrooms were constructed.
5. New study rooms were added.
6. A Chemistry Laboratory is currently under construction.
7. A Class Room is also under construction.
8. Coaches were hired to train the students, and they were provided the opportunity to participate in inter-college and university-level sports activities, which resulted in many achievements for the girl students.
