

Government Girls College, Chomu (Jaipur)

Institutional SWOC Analysis

Institutional Strengths

- The college caters to the needs of the students from the weaker sections of the society.
- Regular and effective teaching and encouraging teaching- learning environment and introduction of new technique pedagogies.
- Highly qualified, committed and dynamic faculty members.
- PG departments in Hindi, Political science, History and Chemistry.
- Directly elected Students Union and substantial representation of students in important committees and clubs.

Institutional Weaknesses

- Vacant post of Physical Training Instructor.
- Less infrastructure due to deficiency of funds.
- Non-availability of professional programmes.

Institutional Opportunities

- To transform girls students of rural and tribal background into well-educated citizens of the country.
- Subsidized fee and availability of various scholarships draws students for admission.
- Expansion of research environment through Research Centre.

Institutional Challenges

- Infrastructure development, hired services, purchase and disposal etc. are to be executed through government agencies which takes time and the institute is dependent on these government procedures.
- To establish more industry academia linkages.
- Acclimatizing the tribal and rural background students to the academic environment.
