

# National Innovation and Start-Up Policy, 2019

Dr. Charvi Chaturvedi  
Associate Professor  
Start-Up Coordinator  
Govt. Shikharipur P.G. College, Sambhar Lake

## National Innovation and Startup Policy

- ▶ HEI's Strategies and governance for promoting innovation and entrepreneurship.
- ▶ Creating innovation pipeline and Pathways for entrepreneurs.
- ▶ Building organisational capacity human resources and incentives.
- ▶ Collaboration co-creation and business relationship and knowledge exchange.

SANDESH NAYAK  
I.A.S

COMMISSIONER  
COLLEGE EDUCATION  
RAJASTHAN, JAIPUR

### Message

At the outset, I thank the Ministry of Education (MoE), Govt. of India for the establishment of 'MoE's Innovation Cell (MIC)' to systematically foster the culture of innovation amongst all Higher Education Institutions (HEIs) with the mandate to encourage the creative energy of our students population to work on new ideas and innovation and promote them to create start-ups and entrepreneurial ventures.

I am delighted to know, that Govt. Shakambhar P. G. College, Sambhar Lake (Jaipur) has established Institutional Innovation Council (IIC) as per the norms of Innovation Cell, Ministry of Education, Govt. of India (IIC Calendar year, 2020- 21) and has devised the "**Guidelines on Institution's Innovation Council**" for promoting innovation and entrepreneurship among students and faculties. I believe that, this will guide to evolve sound mechanisms for promoting and managing innovations as well as start- ups at institutional premises. Furthermore, it will also provide the required direction and support to a large number of students on handling Intellectual Property Rights, Entrepreneurship, Innovations and Start-up related issues, I extend my best wishes to the institute for stepping ahead to implement these guidelines.

(Sandesh Nayak)
