**Activity Name: Field/Exposure Visit to Incubation Unit  
IIC calendar Activity (Quarter- IV)**

Theme: Entrepreneurship

Date: 28- 29 June, 2022

Institution Innovation Council (IIC) faculty members from Govt. Shakambhar P.G. college attended two days long I & E Exposure Visit cum Training Programme organized by J.K. Lakshmipat University, Jaipur. The participants visited the spacious and well-designed infrastructure of the Atal- Incubation Centre (AIC), at J.K. Lakshmipat University, Jaipur. The visit was attended as IIC calendar activity for quarter- III in IIC 4.0.

The main objective of the visit was to familiarize faculties with the environment, infrastructure and working of Atal Incubation Centre.

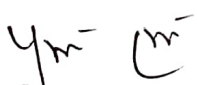

The field/ exposure visit should mainly focus on to equip faculties with: -

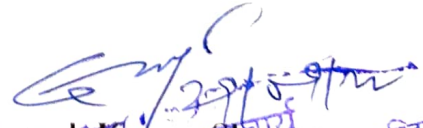

- To develop an entrepreneurial mindset.
- Giving overview of different project and operational mechanism
- Interaction with different stakeholders about their roles, how they work on their given task. challenges.

Main speaker of the exposure visit was Dr. Nidhi Kuchwaha, she briefed the aims and objectives of the Incubation Centre. The field trip was very informative and supportive in understanding of innovation developed by the students at the Incubation centre, the targets achieved so far with various Incubations to build, prototypes of products to be introduced in the market. In addition to this Dr. Jaya Rai, Associate Professor, Dept. of Chemistry, President- IIC put forth a proposal of MoU before the Coordinator, AIC- JKLU for better implementation of IIC at Govt. Shakambhar P.G College, Sambhar Lake.

The faculty coordinator for the field trip was Dr. Priyanka Sharma. IIC Innovation Coordinator.

**OUTCOMES:** The visit proved to be successful as it provides an opportunity to see the environment, infrastructure and working of incubation centre, where the one can conceptualize their ideas & work on to develop the prototypes.
