

6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities.

IQAC is the internal quality assurance committee. Its timely meetings and recommendations helps in ensuring improvement in overall functioning of the institution. IQAC has recommended establishment of green energy in the institution on which work is being done. Green campus, IT campus, feedback system, career development lectures in e-classroom for the students on timely basis have been recommended by the IQAC in the past year and institution responded positively on them. IQAC has monitored teaching outcomes through meetings of heads of the departments and took regular reports on syllabus completion.

IQAC monitors various requirements of the departments and suggests the head of the institution about changes required in teaching and learning process. It suggests about up gradation in laboratories, department infrastructure, basic infrastructure of the institution and efficient processes to implement all these. Outcomes of IQAC meetings are recorded properly and progress on the suggestions is monitored.
