

S.P.N.K.S. Govt. P.G. College, Dausa

First Practice

Title - Education beyond classroom

The Context: Education beyond the classroom, often referred to as "experiential learning" or "informal education," encompasses learning experiences that occur outside traditional education system. It helps in bringing knowledge to the students beyond books.

The Practice

- Self Defence Camp was organised - Our institution organised self-defence camp for girl students in the campus.
- Personality Development lectures and programmes were organised.
- Institution also organised a Mehandi competition for the students.
- Students were taught about Road safety.

Problems

- Financial resources to manage these programmes and activities.
- Development of interest of students in such activities.

क्षेत्र महाविद्यालय, दौसा ज.)

Second Practice

Title - Development of Entrepreneurial spirit

The Context: Entrepreneurial spirit is essential to the students to become self-reliant in the market

The Practice

1. i-startup - This program is about student led and student initiated solutions for the society.
2. Workshop for up skilling - A workshop in collaboration with ICICI academy for skills was organised. This workshop turned out successful as one student was finally selected by a firm.

Problems

- Challenge of waking up creative spirit of students.
- Challenge of financial background of the students which hinders them in thinking beyond traditional methods.
