

SETH RL SAHARIA GOVT. PG COLLEGE KALADERA, JAIPUR

Feedback Mechanism

Feedback is one of the most effective and valuable tools of quality assessment for any higher educational institution [HEI] that helps in gathering information about their strengths as well as weaker areas. This further helps in improvement towards focused excellence. Seth RL Saharia Govt PG College , Kaladera has a dedicated fully functional feedback system in place which collects feedbacks on various goal-centred criteria from all the major stakeholders including Students, Teachers, Alumni and Parents on a regular basis.

Structured Feedback forms are prepared by respective officer in-charges or coordinators and these are circulated among the concerned stakeholders through online google forms or being filled in offline mode after validation of the questionnaires by the designated officers. Institution has a specially dedicated email address for the creation of google forms and collection of its responses, which is as follows- srlsfeedback@gmail.com

An analysis report of the collected responses is then submitted to the feedback committee for its perusal. Feedback committee, after thorough scrutiny and deliberation, further sends the final stakeholders report to the IQAC..Actions needed to be taken based on the feedbacks received from stakeholders is decided and conceptualized by the IQAC.. Necessary changes are implemented in the next academic sessions .

ORGANOGRAM OF FEEDBACK SYSTEM
