Shri Kailash Ji Choudhary
Hon'ble Chairman,
Prince Group of Education,
Chomu, Jaipur

Respected Sir,

As per our discussion, SMLS Govt. PG College, Kaladera, has decided to organize a One-Day National Workshop on **Salient Features of National Education Policy 2020: Revamping Indian Traditions & Culture** in dual mode (Offline & Online). Our Associates in this pursuit would be, Govt. Senior Secondary School, Kaladera and Prince Senior Secondary School, Chomu. The workshop would be organized on **Tuesday, 09 April, 2024 at 11:00 am** at Prince Senior Secondary School, Chomu (Jaipur) campus.

The National Education Policy 2020, is a welcome move to propel India's education system in the right direction. It is a progressive policy that recognizes the need of the hour and has certainly made bold and historic reforms towards enhancing quality of education and improving the learning outcomes of these students. This policy gives absolute freedom to the students to choose courses. It combines the futuristic vision for the country with its glorious past. It encourages a multi-dimensional skillset, builds upon traditions and values, focuses on cultural-linguistic diversity and different backgrounds, and emphasizes on breaking disciplinary boundaries for cognitive-affective-life skill development of a student.

Implementation of the NEP 2020, requires various initiatives and actions taken by multiple bodies in a synchronized and systematic manner. The policy provides different timelines as well as principles and methodology for its implementation. Therefore, the implementation of this Policy will be led by various bodies i.e., Union and State Governments, Ministry of Education, Govt. of India, State Departments of Education, NTA, the regulatory bodies of school and higher education, schools, and HEIs, along with timelines and a plan for review. In order to ensure that the policy is implemented in its spirit and intent, through coherence in planning and synergy across all these bodies involved in education.

The main objective of this workshop is to create awareness about the NEP 2020 amongst learners, teachers and society, and to familiarize them with the skills to help them understand its nuances, curriculum changes, the shift in pedagogical skills and its implementation for the holistic development of its stakeholders, the learners.

Looking forward for your cooperation and support in this regard.

The Coordinators and Organising Secretaries of the Workshop (9887602555, 9887600117, 9660252123) may be contacted for further information and detailed schedule of the workshop.

Warm regards,

जयभारत सिंह
