About

Today Seth R.L.Saharia Govt.PG College facilitates and fosters the higher education of around 5000 regular students. The college aims at being an institution of academic excellence with entrepreneurial and innovative orientation fostering an ambiance of articulate, creative, participatory, liberal, cross-cultural, and value-oriented implicit quest and endeavour for a modern, talented, techno-friendly, virtuous, and socially committed, empathizing individual. With permanent affiliation from the University of Rajasthan, Jaipur, this institution, has 94 faculty members devoted to the needs of students from the Arts, Commerce, and Science streams. The institute has been striving hard to impart quality higher education to rural youth.

VISION

The vision of being an institution of academic excellence, promoting an environment of articulate, value-oriented quest and endeavour for a modern, moral and socially committed individual in this rural, under developed area, defines the contours of the college's distinctive characteristics. The institution aims to produce dedicated citizens, who are ready to work for the betterment of the Society and the Nation

MISSION

- To successfully embody the nation's goal of Access, Equity, Inclusiveness and Excellence
- To motivate youth, particularly girls, from the rural and agrarian milieu to pursue higher education goals
- To foster an ambience where educational, social, cultural, ethical and emotional needs are addressed through a holistic program, achieved with the commitment and cooperation of the staff, students and the community at large, to provide quality education
- To inculcate moral, social and national values in the students so as to enable them to become worthy citizens.
- To impart quality education integrating skill development
- To instill team spirit and passion for learning and help them realize their full potential.
- To instill a concern for society and environment that culminates in purposeful extension and outreach activities

Institutional Development Plan:

Summary

Formulation of Institutional Development Plan (IDP) is one of the first steps towards implementation of the New Education Policy-2020. Institutional Development Plan lays down the roadmap of various provisions of NEP in a time bound manner outlining the needs, constraints, targets and timelines for an institution. Further, IDP is a documentary framework through which an institution can develop its own indicators, fix achievable targets, prioritize actions, assess financial needs and overcome its constraints implementation of NEP. The vision of Seth RI Saharia Govt.PG College, Kaladera, Jaipur is to enlighten, empower and enable the learners and ensure that the students are properly facilitated for quality improvement.

The institution is keen to see that the students studying in the institution have sufficient facilities to learn, read and play. So the first priority is to build sufficient infrastructure like well-equipped class rooms, Seminar Halls , spacious library, College canteen, differently abled friendly campus, proper sanitation and drinking water facility. In our college, innovative teaching methodologies are adopted in every stage to empower students.

A set of committees and cells are functioning to empower students. The different committees provide opportunities to serve the society at large. The library also wishes to increase the number of books and journals. The institution paves to create academic forums and conduct outreach programmes like seminars, workshops and conferences at all the levels and use the resources of both the students and its faculty to serve the society at large. The institution also wishes to impart computer skills to faculty, administrative staff and students and make them techno-savvy so that they can learn more and they can be reachable. The goal is to see that the entire teaching faculty can make efforts to publish articles in peer viewed journals. To improve the pedagogical and subject specific knowledge of the faculty, certain training programmes will be arranged. Training on soft skills will also be arranged to upgrade the management skills of the administrative staff and faculty
