Subject: Regarding feedback received from students and teachers about the Curriculum of University examinations.

Sir,

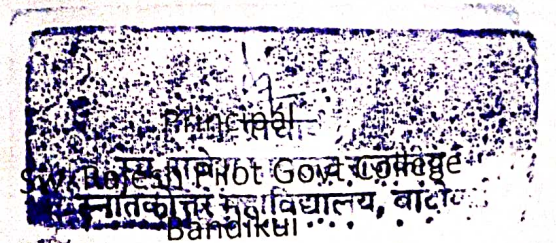

The article under the above mentioned subject is that the NAAC established in the college takes feedback from various stakeholders (students, teachers) every year on various points. In this sequence, based on the feedback survey conducted for the session 2020-21, some suggestions have been received regarding the Curriculum of the university examinations, which will also be presented in the meeting of the BOS members of respective subjects of this college.

The suggestions received are as follows:

1. Relevance of the curriculum
2. Changes in the curriculum to the suit the changing needs
3. Comprehensive Curriculum Report
4. Improvement in the Evaluation process
5. Improvement in the examination system with related to moving towards a more pragmatic approach.

All these suggestions are presented to you for the necessary action.

Thank you

Subject: Feedback on University Examination Curriculum

Sir,

This letter is to inform you about the feedback received from students and teachers regarding the university examination curriculum, as collected by the NAAC from various stakeholders during the 2021-22 session.

This feedback will also be discussed in the upcoming meeting by the BOS members of our college.

The key suggestions received are as follows:

- Relevance of the curriculum
- Changes in the curriculum to address evolving needs
- Comprehensive Curriculum Report
- Improvement in the examination evaluation process
- Enhancement of the examination system towards a more pragmatic approach

We request necessary action on these suggestions to improve the curriculum and examination system.

Thank you.

Subject: Feedback on University Examination Curriculum

Sir,

I am writing to share feedback received from students and teachers regarding the university examination curriculum, collected by the NAAC for the 2022-23 session. These insights will also be presented at the forthcoming meeting by the BOS members of our college.

The suggestions we received are as follows:

- Ensuring the curriculum's relevance
- Adapting the curriculum to meet evolving needs
- Providing a comprehensive curriculum report
- Enhancing the examination evaluation process
- Moving towards a more pragmatic examination system

We request that appropriate actions be taken based on these suggestions to improve our curriculum and examination system.

Thank you.
