## Annual Report 2018–19

Bandikui, the subdivision headquarters of Dausa district of Rajasthan state is situated at a distance of About 91 km from the pink city Jaipur, the capital of Rajasthan. Bandikui has been making its presence felt on the map of India since the British era due to the development of railways. Its ecosystem benefits from the geographical proximity of the Banganga and Sava rivers. Abhaneri, a city of historical and cultural importance, has also given a special identity to Bandikui. Today, the mega highway is passing through the western end of this town. This town has been educationally advanced since the beginning. Railways and the aware citizens of this area have paid special attention to the development of education. Due to the active efforts of the townspeople and the visionary policy of the state government towards inclusive higher education, so that the students living in the rural and urban areas around Bandikui area do not have to go to other places for higher education. In October 1977, this college started with 40 students of the Faculty of Commerce. Subsequently, in 1983, the Faculty of Arts also started. Initially this college ran in four rooms in Dharamshala located in the center of the city.

The foundation stone of the present building was laid by MP Shri Amitabh Bachchan, Shri Rajesh Pilot, Minister of State for Transport, and Government of India on 15 March 1986 in the presence of Principal Shri Hiralal Maidh. In 1991, the present building of the college was completed on Baswa Road and the entire college shifted to this new campus. In the year 2003, this college was named after Late Rajesh Pilot as Late Rajesh Pilot Government Post Graduate College Bandikui as per the orders of the State Government. In the session 2003–04, under the self-financing scheme, undergraduate classes in the Faculty of Science and post-graduate classes in Hindi Literature and Political Science were started. In the session 2005–06, the subject of Geography was also started at the undergraduate level under this scheme.

From the session 2018–19, all the courses run under the self-financed scheme were governmentized. The motto of this college is **“May my mind be filled with good intentions”**. This college is continuously making efforts towards developing the eternal values of character building, dutifulness, patriotism, world brotherhood, all-religion equality, and caste harmony, love of nature, charity and morality among the students. The aim of this organization is to develop human values. Apart from teaching, co-scholastic activities are conducted through various forums like National Service Scheme, Sports, Planning Forum, Scouting, NCC and Women's Cell. Various student-centric schemes of the Rajasthan government such as Devnarayan and Kali Bai Bhil Scooty Scheme have seen an unprecedented increase in the inclination of girls towards higher education. Apart from this, the goal of inclusive higher education is also being realized through various scholarships like Chief Minister Higher

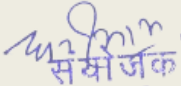

Education Scholarship, Social Welfare Scholarship, National Scholarship Portal Scholarships, Devnarayan Incentive Scheme. Starting its journey with only 40 students, today the number of students studying in this college has reached around 3000. This college has proved to be a milestone in the easy access of higher education to the students of rural areas. Teachers who are known for their excellence in their respective subjects are working in the college.

This college has been awarded 'B' category by the National Assessment and Accreditation Council constituted by the UGC in 2005 and 2016. Orientation, refresher, short term training programs sponsored by various institutions like University Grants Commission are organized in order to develop teaching-learning skills among the faculty members working in the college, to move ahead in the process of promotion, to develop inter-disciplinary vision, to have knowledge of administrative and office rules. It is organized by the Human Resource Development Centers of various universities. Besides, similar programs are also organized by administrative departments, offices and colleges of various natures. The faculty members of the college have enhanced their professional capabilities by actively participating in these with the approval of their department. Faculty members working in the college participated in 2 (FDP) in the session 2018-19; Brief details of the extension activities conducted in the session 2018-19 are given below:

1. **Scout, Guide and Rangers:** Free water service Railway station Bandikui, Voter awareness Programe, Blood donation Service, Green Rajasthan Tree Plantation
2. **YDC:** Workshop on "career Scope in Insurance Sector (3.01.2019)
3. **NSS:** Schram Daan Community Unity Quiz, Yoga & Meditation practice, Blood Donation Awareness Rally
4. **NCC:** Tree Plantation, Flag Hosting, Fit India Freedom Run Program, Blood Donation, Cleanness Drive, Campus Security, Voter awareness, International Yoga day, Anti Drug rally
5. Sports, cultural and women cell activities.

All academic and co-educational activities of this college are conducted under the administrative orders of the Commissionerate of College Education of the Higher Education Department of the Government of Rajasthan. This college is affiliated to Rajasthan University Jaipur for degree examinations and courses.

E-governance and E-education is the great need of the present time or rather it is very important to include the latest IT technologies in higher education. The college is continuously moving forward in this direction. WiFi campus, smart class room, digital library are the innovations adopted in this direction.
