Dear visitors

Govt. Women Polytechnic College (GWPC), Jaipur welcomes you to the beginning of a fruitful, rewarding, enriching visionary learning journey!

At GWPC, Jaipur, we offer a holistic educational experience through various innovative teaching approaches based on the fundamentals of Problem-Based Learning (PBL), amongst others. PBL, with creative ideas prepares you to take on challenges in the dynamic working world when you finish your college. Guided by certified facilitators, you will have the opportunity to work in teams, and resolve problems while working under constraints. By the time you pass out, you will be a confident, resourceful problem-solver and expressive presenter who will be an asset to any organization.

Part of our training would also require you to go on industry immersion programmes with GWPC, Jaipur's industry partners so as to prepare students better for the working world. Many of our students are offered jobs before completion of course by the companies they were attached to.

Life on campus is both enriching and exciting. As a GWPC, Jaipur student, you have access to excellent facilities such as sports facilities, library, training cell and many more.

Broaden your network and enjoy your time in GWPC, Jaipur by participating in Co-Curricular Activities, which span from Interest Groups to Clubs, to nurture your creativity, interests and interpersonal skills.

The GWPC, Jaipur education is dynamic, exciting and fulfilling. Many of our alumnae have benefitted from the education. We are certain you will too! I look forward to seeing you in campus.
