Q. 2. Write a paragraph on 'Good Manners'.

Ans: 'Good manners' is a nice subject to write down a paragraph because, It is sth related on our behaviour. If we follow good manners we will get respect in the society. Now the question is what good manners is all about. Good manners involve so many perspectives. Like we should respect the elders, teachers, our parents or whosoever who is elder by us. we should speak as little as possible and always try to be a gentleman.

A person who follow all the methods and modes of good manners always get a nice place in society and achieve good heights. we should love the little ones as well because if we give love to the small children, in return we get respect by them.

A person who follow the tablemanners is a nice human being because ~~that~~ good manners involves all the characteristics of good manners.
