Government of Rajasthan has established an Eco-System for not only effective and transparent service delivery, but also to ensure exponential growth of IT Sector in the State. As a part of this process, Rajasthan would be organizing a two days "Rajasthan Digifest" on 19th and 20th August, 2022. The theme of this Digifest would be youth centric skilling and employment. During these two days, interaction between industry, entrepreneurs, academia, start-ups, government and youth would help in synergizing the effort and also provide enriching experience for all.

On this occasion, a variety of activities have been identified including e-Governance initiatives and achievements, Start-up activities, Quizathon, various other competitions and e-Governance Expo.

The following is the list of few events: (for colleges)

- Online College IT Quiz** for college students on different topics – (Details as per Annexure-1)
- Paper Presentation** – (Details as per Annexure-1)
- Digital Photography Competition** – (On the Venue)

It is therefore, requested that instructions may be given for the dissemination of information to all colleges for active participation of staff, teachers, and students and for display on the education portals to ensure maximum participation. It is also requested to nominate one faculty member in jury for Paper presentation pl.

Warm Regards,

Yours sincerely
