Sub:- Regarding the novel teaching learning pedagogy on Zoology Classification (Gaming application –innovativezoology.com) developed in the Department of Zoology University of Rajasthan, Jaipur.

Sir,

With reference to the above subject, I would like to appraise you about the novel teaching learning pedagogy on Zoology Classification Gaming Application- innovativezoology.com, which is developed by University faculties namely Dr. Neetu Kachhwaha & Dr. Pallavi Kaushik, Assistants, Professors in the University Department of Zoology University of Rajasthan, Jaipur. This application is a high tech revolution to enhance teaching and learning in the subject and is compatible to the students of modern times. This gaming application is the first and totally innovative concept of edutainment and it is freely available online and can be run on personal computers as well as mobiles.

Since the game is designed as per the recommended syllabi, the faculty (Zoology & Entomology) of Higher Education can use this application as a simulation experiment in practical's, visual teaching aid in their regular theory classes as well as test purposes. This game has the capacity to capture the attention, concentration and constant involvement of the player/student (B.Sc., M.Sc.) and the students can use this game for self evaluation, effortless anytime and anyplace learning without supplementation of books and reading material.

Further, any kind of legal or ethical responsibility of this gaming application lies with the game developer (Dr. Neetu Kachhwaha & Dr. Pallavi Kaushik, Assistants, Professors).

Therefore, you are requested to kindly circulate this information to all the State Universities/ Govt. Colleges/ for the use of innovativezoology.com gaming application

Yours faithfully,
