Subject: Regarding NAAC Assessment & Accreditation of Government Colleges

Dear Madam/Sir,

It has come to the notice of the SLQAC that, colleges are facing certain key issues pertaining to NAAC accreditation and this hampers their smooth entry into the NAAC Assessment & Accreditation process.

We, at SLQAC are committed to assist and support you in easing out through these issues. I take this opportunity to ask you to apprise us of your issues namely **affiliation related** (some colleges have to go for temporary affiliation every year which poses a great financial burden on the institution while still others have issues regarding subject affiliation with the affiliating university) and **college name related**. It's generally observed that, many colleges are carrying on without bothering that, their college's name is different at AISHE portal, UGC, affiliating University and Govt. records at the Commissionerate. This discrepancy in college name poses a serious issue during NAAC Assessment & Accreditation.

You are directed to act proactively and coordinate in person with relevant authorities like UGC and affiliating university without relying on telephonic conversations and waiting for letters and emails etc. You are hereby instructed to send an email regarding your issue (s) with a clear subject line & explicit detail in the inbox along with necessary documents as attachment e.g. NAAC: Affiliation Related Issue or NAAC: College Name Related Issue or any other issue, (if any, which can be handled by SLQAC), with an explicit title & relevant detail.

Please email your issues on naacissues.slqac@gmail.com

In case of any query or further clarification, please feel free to call Prof. B.K. Sharma (Joint Director RUSA).
