Sub: Regarding Webinar by NAAC on Provisional Accreditation for Colleges

Dear Madam/ Sir,

To widen the horizon of accreditation and for including a greater number of higher education institutions, NAAC has introduced a new concept of "Provisional Accreditation for Colleges (PAC)" which is also in line with the National Education Policy (2020). Provisional Accreditation will be granted to colleges in the planning stages of their Assessment and Accreditation. Essentially, this is a process which ascertains the readiness of the institution towards Assessment and Accreditation.

To explain in detail about the PAC and its features, NAAC is organising a national webinar on 24-02-2022. As per directions, **the Principals of all Govt. Colleges are required to ensure that the IQAC team members of the college register for this webinar and attend it at the scheduled time.** Link for registration is -
