Principal,
All Govt. Colleges,
Rajasthan

Sub: Regarding updation of the College Webpage

Ref: SPD letters no. 178 dated 05-04-2021, 231 dated 01-07-2021

With reference to the above-mentioned subject and referred letters, it has been observed that the information uploaded on the college webpage available on www.hte.rajasthan.gov.in is still neither complete nor updated. Lack of complete updated information on the webpage often leads to undesirable results especially with reference to NAAC Accreditation. Detailed profile of any faculty member is also not available on the webpage due to which the credentials and achievements of the faculty members are not properly showcased. As a result, NAAC is not able to gather complete information about the college in terms of available infrastructure & facilities, courses offered, fees structure, sports facilities, teaching & non-teaching members, achievements of the College etc.

A suggestive site map for webpage of all govt. colleges is enclosed for your reference. You are directed to personally check the webpage of your college and ensure that necessary modifications are done on your college webpage and all required information is complete, updated with the relevant documents properly uploaded latest by 05-05-2022.

Enclosed: a/a
