The Principal,
All Govt. Colleges,
Rajasthan

Sub : To create unique email Id of all students for students survey

Dear Madam/ Sir,

It is required to create a unique email id of each and every student. Creation of email id was mandatory during admission process, but it has been observed that same email id is being used by more than one student. **It should be ensured that Mobile Number/ Email-Id is specific and unique for each student and duplicity is to be avoided essentially. Students should be encouraged for operating their email accounts frequently.**

In order to motivate students and to regularly apprise them of all the activities being carried out in college (literary, cultural, sports, skill, NAAC etc.) along with all the students centric circulars/ notices issued by the CCE, Jaipur, interaction with the students should be done frequently, circulars and notices of both the College/ University as well as Commissionerate College Education should be communicated, students should be motivated for regular attendance in college and registration in Pratiyogita Dakshta classes. College is also expected to take regular feedback from students and their parents.

Students who do not have an email account, their email id should be created. The college should conduct student survey and receive feedback from them through their unique email id. It is also to be ensured that feedback from each student and their parents is consolidated on time as feedback plays a vital role in accreditation by NAAC.

Pradeep Kumar Borar (IAS)
Commissioner, College Education &
Special Secretary, Higher Education
State Project Director (RUSA)
