30th Rajasthan Sociological Association (RSA) Multidisciplinary International Conference

on
Technology, Ethics and the Environment: Navigating the Future of Sustainable Society
(10 - 11 JANUARY 2025)
(HYBRID MODE)

Organized by:

Department of Sociology
Government Meera Girls' College
Udaipur (Rajasthan-India)

CONFERENCE THEME :

Technology has revolutionized how we live, work, and interact with our environment. However, its rapid advancement raises ethical dilemmas and environmental challenges. This event delves into the intersections of technology, ethics, and the environment, focusing on how we can steer the future toward a sustainable and equitable society. It brings together experts across sectors to discuss innovative solutions and responsible actions in the face of growing environmental concerns.

Join thought leaders, researchers, and industry professionals for an engaging discussion on critical issues shaping the future of technology and sustainability.

EVENT GOALS:

- Foster understanding of the ethical responsibilities surrounding emerging technologies.
- Explore the role of technology in combating environmental challenges.
- Engage participants in creating policies for sustainable, tech-driven growth.
- Share best practices in corporate social responsibility and green technologies.

SUB-THEMES:

- Technological Innovations and Their Ethical Implications for Society
- Sustainable Development in a Digital Society
- The Role of Ethics in Building an Environmentally Responsible Society
- Impact of Green Technologies on Society and Environmental Justice
- Balancing Technological Advancements with Societal Well-being
- Society's Role in Shaping Ethical Environmental Practices
- Technology and Society: Fostering Sustainable Lifestyles
- Ethics, Technology, and Society in the Face of Climate Change
- The Intersection of Smart Cities and Sustainable Society
- Creating a Resilient Society Through Ethical Environmental Innovation
- Artificial Intelligence and Its Role in Building Sustainable Societies
- AI, Society, and the Future of Ethical Environmental Governance
- Transforming Society through AI: Opportunities and Challenges for Sustainable Development
- Sustainable Technology and Society: Addressing the Digital Divide and Environmental Justice
- The Role of Technology in Fostering an Eco-Conscious Society
- Technology and Society's Role in Achieving the UN's Sustainable Development Goals

ABOUT THE COLLEGE

Government Meera Girls College, Udaipur, is the first and the largest postgraduate women's college in Southern Rajasthan. The institution is dedicated not only to the education of women but also to their all-round development of personality, as our mission is Women Empowerment through Inclusive Excellence. It was established in the year 1956 and is affiliated with Mohanlal Sukhadia University. The college has been accredited with an A grade by NAAC. Currently, 26 UG and 19 PG programs are offered in the Arts, Commerce, and Science faculties, along with the professional degree courses of BCA and BBA. With more than 5,000 students on its rolls, the college excels in various fields of academics, sports, cultural activities, and co-curricular activities. The college is well-equipped with the necessary infrastructure and has a panel of experienced faculty members, which helps in achieving our vision of structuring literate, knowledgeable, and self-reliant women capable of uplifting their families, society, and ultimately the nation.

ABSTRACT/PAPER SUBMISSION :

Academicians, researchers, industry professionals, and students are invited to submit/present original research papers related to the conference theme and sub-themes. Theoretical and empirical contributions are welcome. Oral and poster presenters are invited to submit abstracts. Abstract (in English, MS Word, font size 12, Times New Roman, 1.5 line spacing with Title, Name and Affiliation of authors, corresponding author, email, keywords, and a maximum of 250-300 words) should be submitted through the conference mail address. In Hindi, it should be typed in Kruti Dev 011 with font size 14 and line spacing of 1.5. The best oral and poster paper presentations will be awarded certificates of recognition to honor exceptional research contributions and innovative ideas

THE UDAIPUR CITY- The city of lakes

Nestled amidst the picturesque Aravalli Hills, Udaipur, often referred to as the "City of Lakes," exudes a timeless charm that captivates all who visit. Its shimmering lakes, including the iconic Lake Pichola and Fateh Sagar, reflect the grandeur of the historic palaces and havelis that line their shores, creating a mesmerizing landscape of tranquility and beauty. Known for its rich cultural heritage, Udaipur is adorned with intricately carved temples and vibrant bazaars, where the artistry of local craftspeople comes to life. The majestic City Palace, a splendid fusion of Rajasthani and Mughal architecture, stands as a testament to the city's royal past, offering breathtaking views of the surrounding hills and lakes. As the sun sets, the city transforms into a magical realm, with the warm glow of lights illuminating its vibrant streets and the serene waters of the lakes. Udaipur is not just a destination; it is an experience that immerses you in a world of history, art, and the timeless allure of Rajasthan.
