Panel Discussion Topics & Brief

1. Educators as Nation Builders: Shaping Youth for Viksit Bharat and Rajasthan 2047

This session will spotlight the pivotal role of educators as catalysts for a sustainable, youth-driven, and patriotic future. It will explore their transformative impact in aligning education with the national vision of *Viksit Bharat 2047* and Rajasthan's developmental aspirations under *Viksit Rajasthan 2047*. By outlining a strategic roadmap for advancing education, this session will emphasize the integration of civic values, sustainability, and innovative teaching methods to prepare students as empowered contributors to India's growth story.

2. Future Entrepreneurship Opportunities in Key Industries: Empowering Youth for Emerging Growth Sectors

This session will emphasize preparing youth with the skills, knowledge, and entrepreneurial mindset to actively drive Rajasthan's economic transformation across key industries. It will explore emerging opportunities in sustainable tourism, the healthcare sector, renewable energy, and other priority areas within the state. By fostering innovation, sector-specific expertise, and entrepreneurial initiatives, the session aims to align education and skill development with Rajasthan's evolving industrial priorities, positioning youth as pivotal contributors to sustainable and inclusive growth.

3. Economics of Early Childhood & Higher Education: Technology-Driven Transformation

This session will explore the transformative impact of early childhood education and technology on India's education landscape. It will highlight the economics of early education, focusing on growth, quality, and alignment with NEP 2020, while emphasizing the long-term societal and economic benefits of investing in foundational years.

The discussion will also outline how AI and data-driven innovations can revolutionize higher and technical education in Rajasthan, creating inclusive and personalized learning experiences. By integrating NEP 2020 and the RTE Act with digital advancements, this session aims to position Rajasthan as a leader in equitable, technology-driven education, aligned with India's vision for 2047.

4. Preparing a Skilled & Employable Workforce for Viksit Bharat & Viksit Rajasthan: Future-Ready Education

This session will delve into the transformation of education systems to meet the evolving demands of a globalized and technology-driven workforce. It will focus on fostering innovation, practical skills, and entrepreneurial thinking to prepare students for the industries of the future.

The discussion will emphasize strategies to anticipate industry demands over the next two decades, integrating advanced disciplines such as AI, robotics, digital transformation, and medical education into academic curriculums. A key focus will be on embedding targeted skill development in school and higher education systems while maintaining ethical and professional standards. By designing initiatives aligned with India's economic aspirations for 2047, this session aims to create a workforce that is adaptive, innovative, and equipped to drive sustainable and inclusive growth for a Viksit Bharat and Viksit Rajasthan.
